

Tax Manager – Real Estate

Apple Growth Partners is a client-focused, regional business advisory firm of Certified Public Accountants and industry experts serving growth-oriented, privately owned businesses for over 65 years.

We are known as leaders in the development of our staff and we pride ourselves on working with each and every staff member on their career development and growth plans. For testimonials on the AGP experience, please visit our website at www.applegrowth.com.

We have an opportunity for a dynamic individual who is looking to use their skills in an entrepreneurial professional services firm as a Tax Manager focused on Real Estate taxation. The Tax Manager is responsible for the delivery of a full range of tax services for multiple clients. Responsibilities include interacting closely with clients to provide innovative tax planning, consulting, and compliance expertise; review of complex tax returns; developing and managing staff; and working closely with partners and staff on client management, practice development, and business development activities.

Responsibilities:

- Review complicated or complex income tax returns including C-Corp., S-Corp., partnership, and individual clients
- Review and analyze annual and interim compiled and reviewed financial statements
- Review and manage annual projections for both individuals and businesses
- Research and consult on various tax matters; utilize tax-related software to research tax matters
- Maintain active communication with clients to manage expectations, ensure satisfaction, ensure deadlines are met, and lead change efforts effectively
- Consult, work with, and service client to make recommendations on business and process improvement and serve as a business advisor to client

To qualify, candidates must possess:

- Bachelor's degree in Accounting; Masters of Taxation is a plus
- CPA required
- Experience in Real Estate Partnership Taxation; Real Estate Tax Credits, including Low-Income Housing Tax Credits and Historic Rehabilitation Tax Credits
- Experience with Cost Segregation studies is a plus, but not required
- Minimum 5 – 7 years of progressive tax experience in public accounting or a combination of corporate and public accounting experience
- Exceptional client service and communication skills with a demonstrated ability to develop and maintain outstanding client relationships
- Strong leadership, business development, recruiting, training, coaching, and mentoring skills, coupled with excellent written, interpersonal, and presentation skills
- Strong analytical, technical and tax accounting/technology skills with keen attention to detail

This is a great opportunity to be a part of a great team and be challenged. If you have the desire and ability to join our dynamic firm, please send your resume to careers@applegrowth.com. No phone calls please.
